

REF : UTP 4 pairs cable - category 5e - 100MHz - PVC Sheath

Sheath Printing																																																																																																							
Category	UTP/CAT5e-4P-PVC																																																																																																						
Test Standard	TIA/EIA 568C.2 YD/T1019																																																																																																						
1. Conductor	Material	Solid Bare Copper																																																																																																					
	Nom. O.D. (mm)	0.50 24AWG	Up	+0.015						Down	-0.015																																																																																												
2. Insulation	Material	HDPE																																																																																																					
	Diameter	0.90±0.02mm																																																																																																					
Color	A.Blue, White-Blue	B.Orange,White-Orange																																																																																																					
	C.Green,White-Green	D.Brown, White-Brown																																																																																																					
3. Rip-cord	Yes	Drain wire	No																																																																																																				
4. Sheath	Thickness	0.50±0.05 mm																																																																																																					
	External O.D.	5.0±0.3 mm																																																																																																					
	Surface	Clean, Frap, Satiation																																																																																																					
	Material	PVC (complies RoHS)																																																																																																					
	Color	Grey																																																																																																					
Surface Printing	Letter height	3.0±0.3mm																																																																																																					
	Color	Black																																																																																																					
	Print error & Space	≤±0.5% · 1m																																																																																																					
Packing	Carton, pallet																																																																																																						
Carton dimension	35*35*20cm																																																																																																						
Packing length	305±1.5m																																																																																																						
Sheath Physical Properties	Before Aging	Tensile Strength (Mpa)	≥10																																																																																																				
		Elongation (%)	≥125																																																																																																				
	Aging Period (°C×hrs)	100°C×24h×7d																																																																																																					
	After Aging	Tensile Strength (Mpa)	≥8																																																																																																				
		Elongation (%)	≥100																																																																																																				
	Cold bend (-20±2°C×4h)	No visible cracks																																																																																																					
Electrical Characteristics (20°C)	1.0-100.0MHz, Characteristic impedance (Ω)	100±15																																																																																																					
	1.0-100.0MHz, Delay Shew 20°C (ns/100m)	≤45																																																																																																					
	DC Resistance 20°C (Ω/100m) max	14.2																																																																																																					
	DC Conductor Resistance Unbalance (%)max	5.0
